STAR HELDER WAR THE STAR BRANCH RANGE OF THE STAR OF T

Clarendon County Schools' Fair

The School Improvement Association in co-operation with the County Board of Education has decided to hold a County school fair at Manning Friday, December 12th. At 10:30 o'clock, there will be a parade of the future citizens of the county, the school children, beginning at the school Bouse and ending at the fair

Each school in the county is expected to have as many booths at the fair grounds as there are teachers in the school. The exhibits in these will consist of any articles made, raised, or owned by the children.

These will be judged according to Quality, Quantity, Variety Attractiveness, by men and women from other parts of the state. Each school is expected to decorate its own booth, and to bear the expenses of constructing it. This will be only a small amount and the boys and girls will be allowed to sell any of their articles to defray all or any part of such expense. I suggest the following things as suitable for the booths, but this by no means limits the display, as we want originality, and are anxious to see just what

our boys and girls can do.

Examination papers, compositions, maps, drawings, paintings, problems in arithmetic, algebra, geometry. Exercises in grammar, paper cutting, paper folding, posters, sand table work, sewing, fancy aprons, plain aprons, dresses, shirt waists. embroidery, crochet, knitting, samples in button hole making, in putting on patches, in mending clothes, in darning stockings, quilts, sofa pillows, work bags, dressed dolls, bought dolls, and home made dol's, rag dolis, hickory nut dolls, corn shuck dolls, paper dolls, baby caps, sun bonnets, shuck and ratha hats, doll hats.

Eatables such as jetties, preserves, catsups, pickles, cooked meats, ham, chicken, turkey, beef, pork, sausage, loaf bread, rolls, biscuits, muffins, corn bread, pies of all kinds, cakes of all kinds, candles of all kinds, sandwiches, peanuts, pop corn, cracker jacks, cheese straws, butter, etc.

Articles made, such as axe handles, chicken coops, book cases, picture frames, screens, bread boards, wood boxes, shirt waist boxes, brooms, kites, rakes, jumping jacks, etc.

Articles raised, such as corn, potatoes, chickens, hogs, goats, carves, nuts, vegetables, fruit, sugar cane, flowers, etc.

We expect to offer \$5 00 m gold each, for the best exhibit by a one teacher school, by a two teacher school, by a three teacher school, and by those with more than one teacher, making twenty

Immediately after the parade, and while things are humming on he lan grounds, we expect to have a "Better Babies Contest" in

These contests have taken root wherever thinking men and women are found. They are practical, because they arouse par ental pride, creates a desire to study child life, and help humanity,
